Well it's been a long 2 years, but I loved every minute of them with you around! You're really a super person and a great teacher and coach! A little bit retarded, but you're terrific anyway! Never forget all the crazy stunts "Cook & Marinero" pulled off in your class, 12th period! We were really little demons! You know you looked us for it! Remember the time Carol & I came over and ~~and~~ sprayed perfume all over you windshields? And we sat their and talked about football you've really been a super "dad" to us! We love you to death. I did anyway! I wish you the best of luck with everything you do, and especially our football team! I hope we can have 2 winning seasons in a row! (I hope we have 22 but 2 is fine for me!) Well, guess I'd better quit before the page runs out! So, I'll be stuck with you, and you'll be stuck with me, for one ~~more~~ year! It's my last, and if you think for 1 minute, that I'm not gonna be 20 times worse than the last two, you're crazy! Love ya always

We, the Buccaneer staff, wish to dedicate this year's Buccaneer to the senior class of 1977.

In some ways this year marked the end of an era — the last time for many things. This was the last year in the old school building. Next year would bring a new Gulf High. New walls and carpeted rooms would meet tomorrow's seniors, and their school would be known by a different face.

Another change would bring the end of 45-15; and, perhaps with it, the end of the discontent it caused.

Other changes had already begun. A modern stadium replaced proud old St. Clair Field. With it came a thrilling resurgence of school spirit, and a bold new confidence. We knew, finally, that we could win . . . and we did.

And, of course, there were changes that have always occurred. Some faculty members left, pursuing their goals with even greater fervor than they demanded from us. Others remained, to be joined by new teachers, enthusiastic with the knowledge of what education could be. We knew we had found in them, not only leaders, but cherished friends.

New Port Richey remained a symbol of dynamic change. Subdivisions and condominiums were suddenly everywhere. They were connected by that asphalt ribbon of carbon monoxide and Burger Kings, U.S. 19. And somewhere, behind the buildings and the crowds, lay the parks and beaches; those rustic settings which first drew the crowds. We knew they would always call us during moments of peace and contemplation.

And so the seniors leave. Not quite confident, but somehow ready. They leave behind a myriad of changes, and march hopefully into the multitudes of diversities that will surely come.

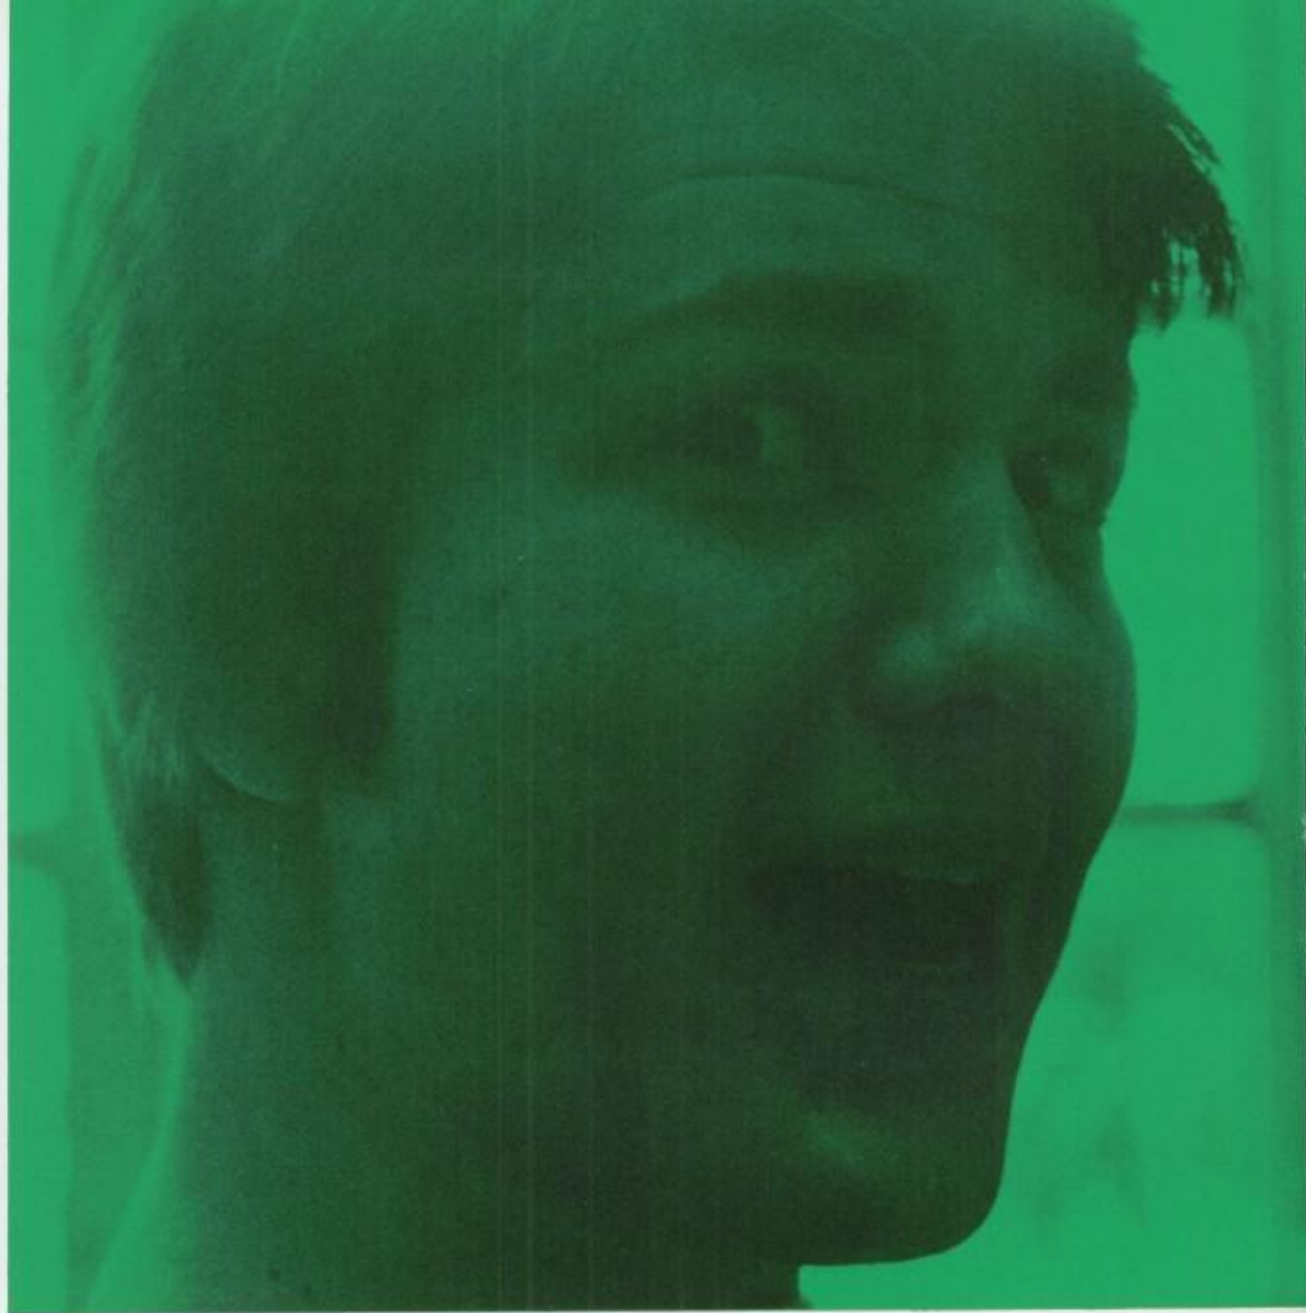

Seniors of 1977, the Buccaneer staff salutes you.

SENIORS '77

*I look around
at the people, places,
faces,
to know
where I'm going*

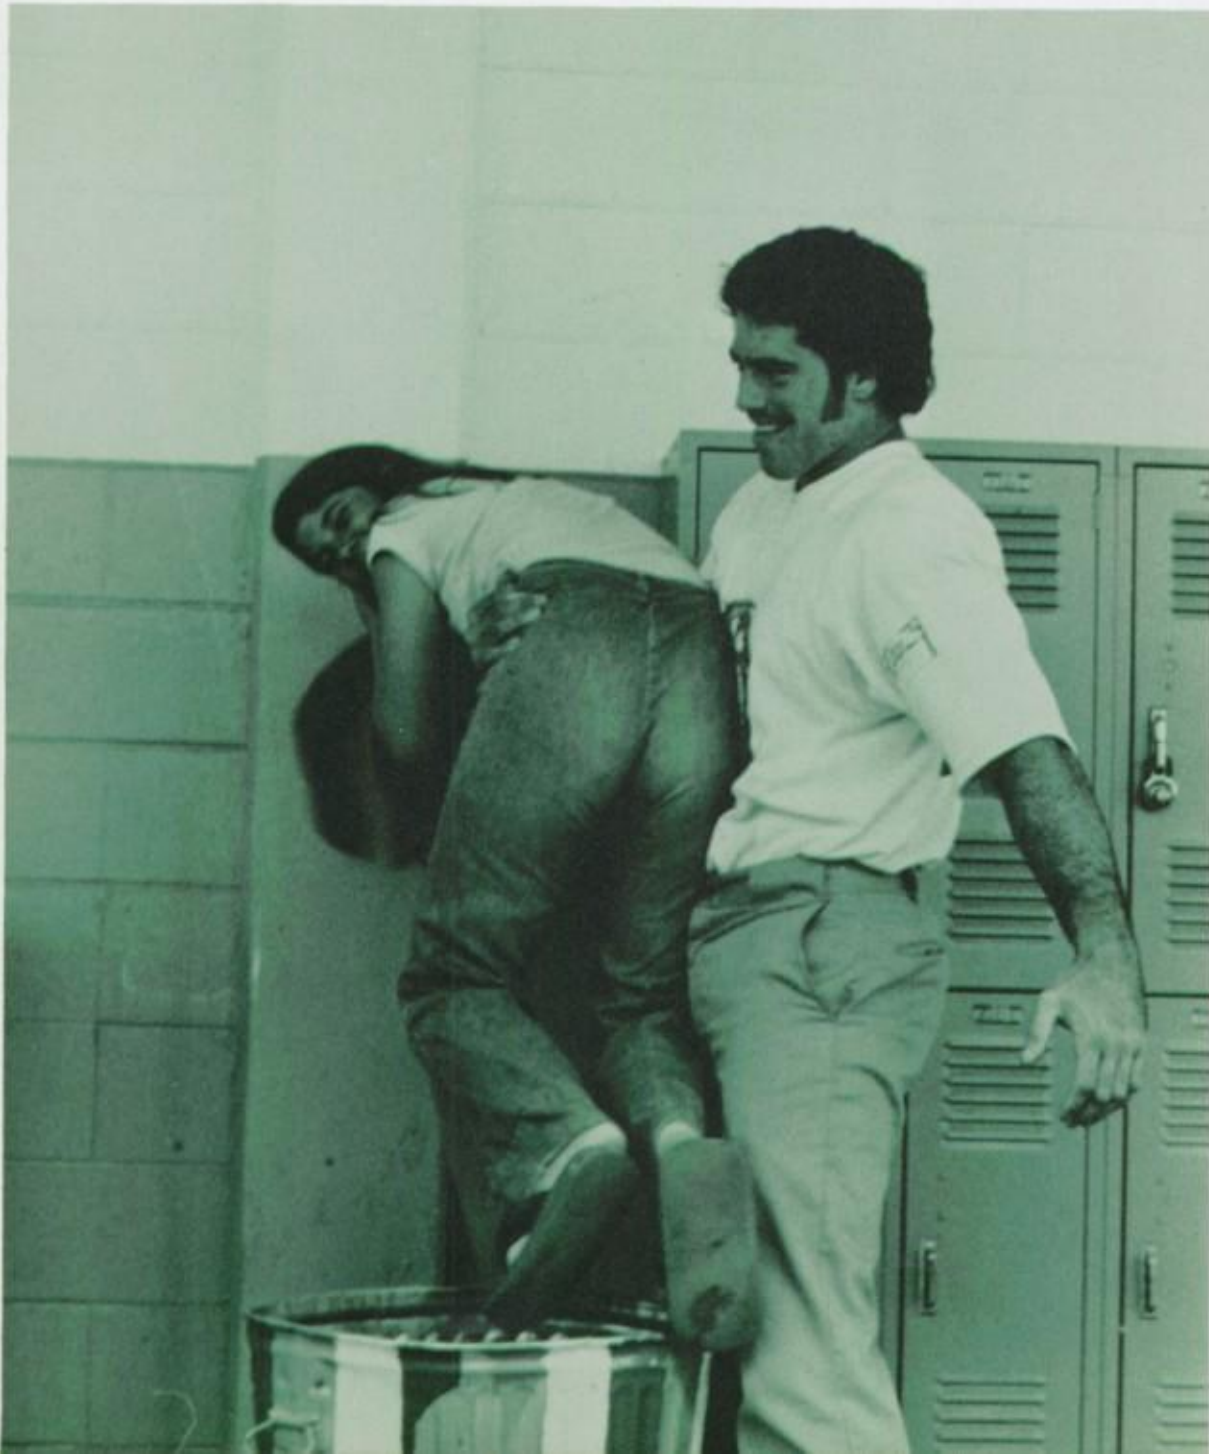

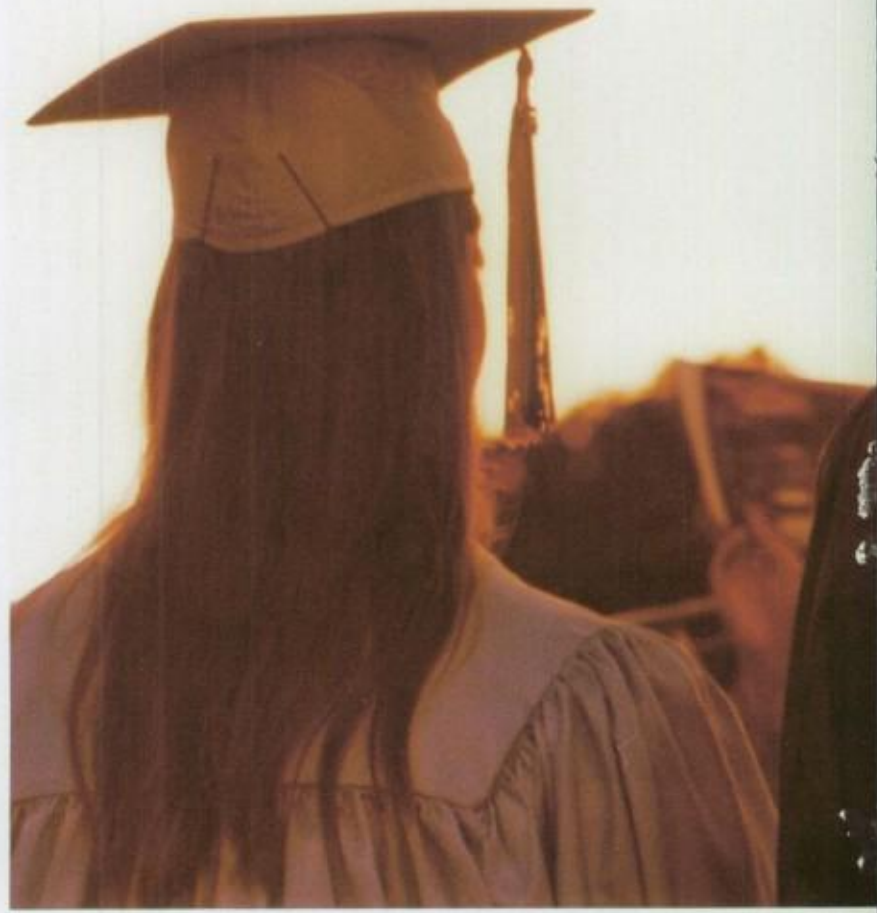

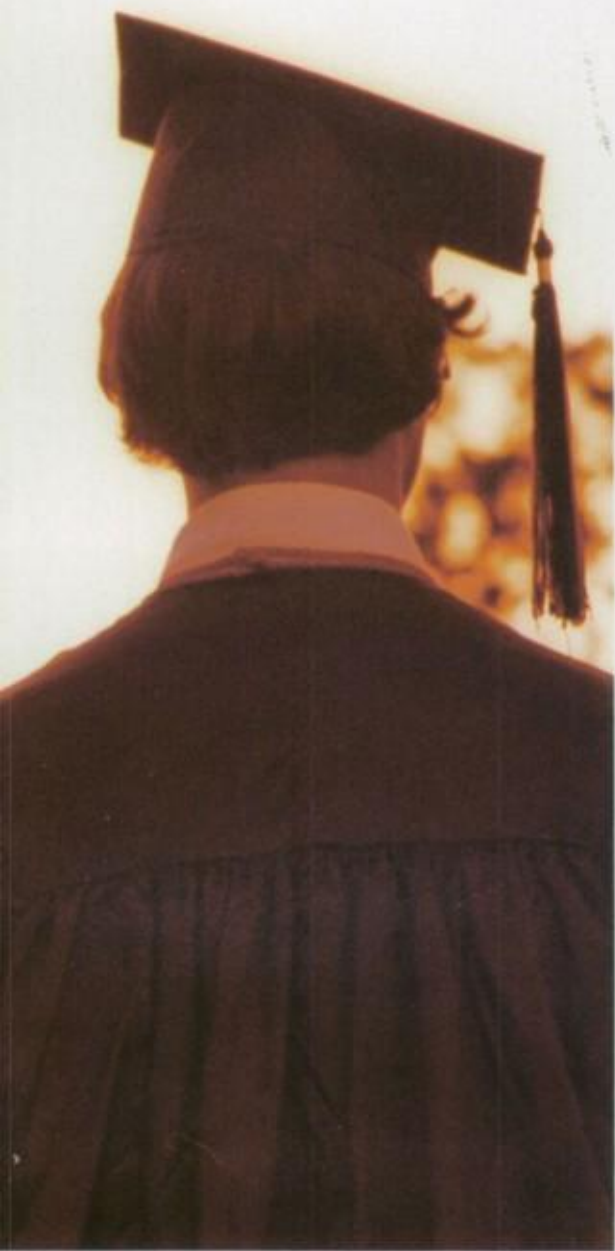

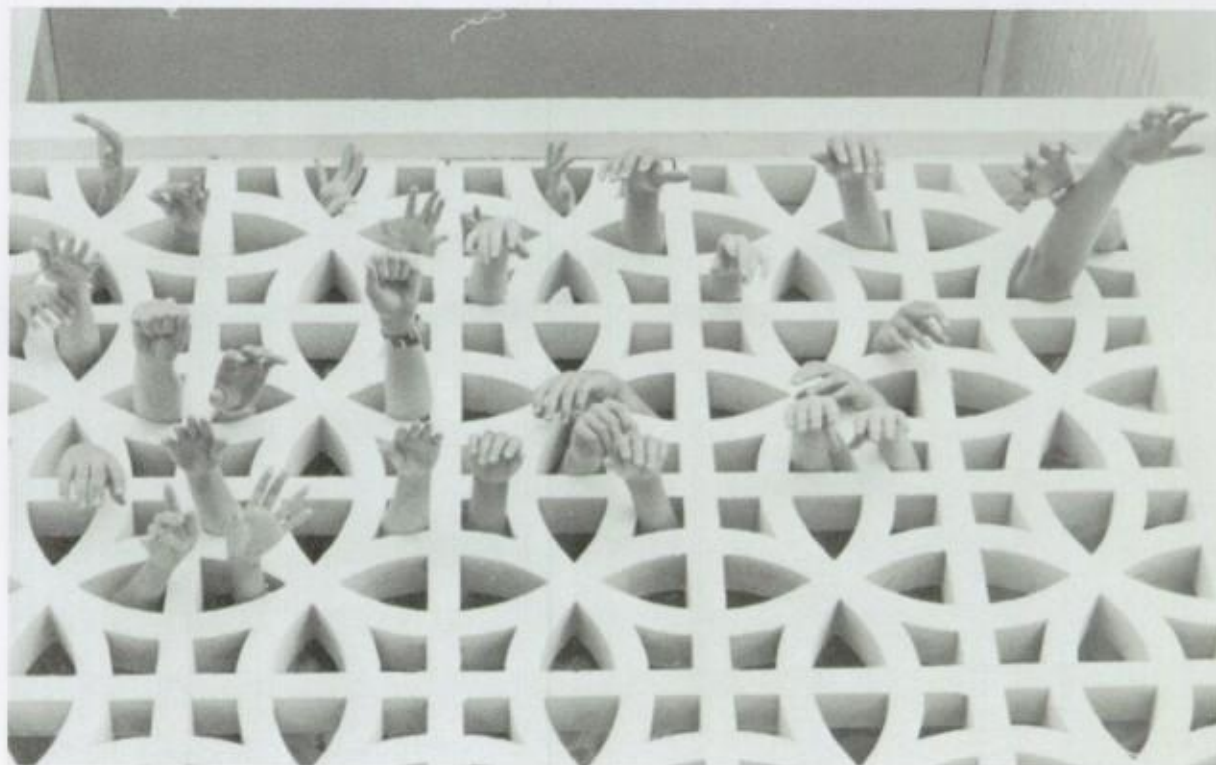

*The changes
ease the strain
of growing
soothe the pain*

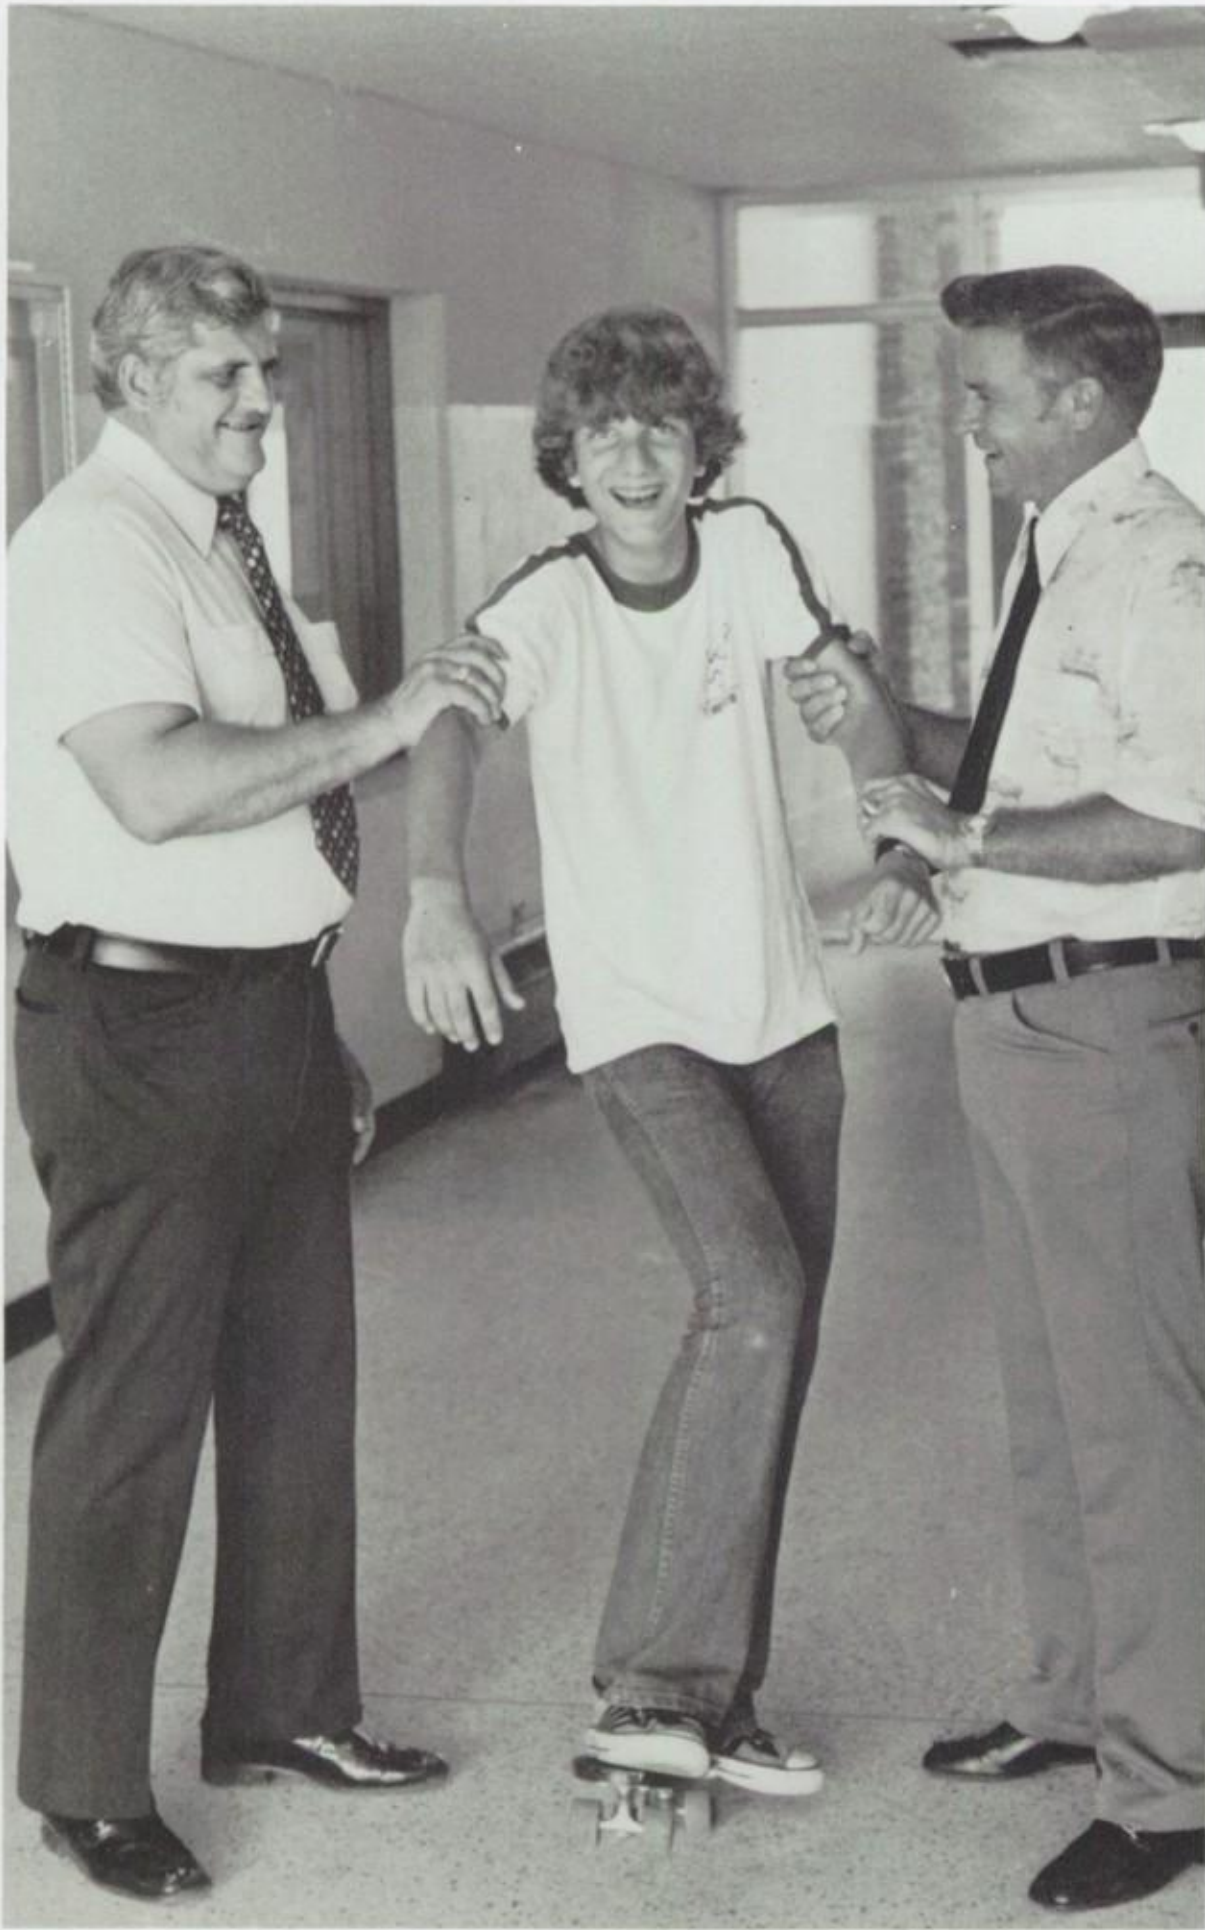

*The sun sets,
but only to form a new day.
We exalt in its challenges,
and look ahead.*

*They don't know us,
nor we ourselves,
but we know the joy of life,
always.*

*Through moods and struggles
old and new
we fight to find ourselves.*

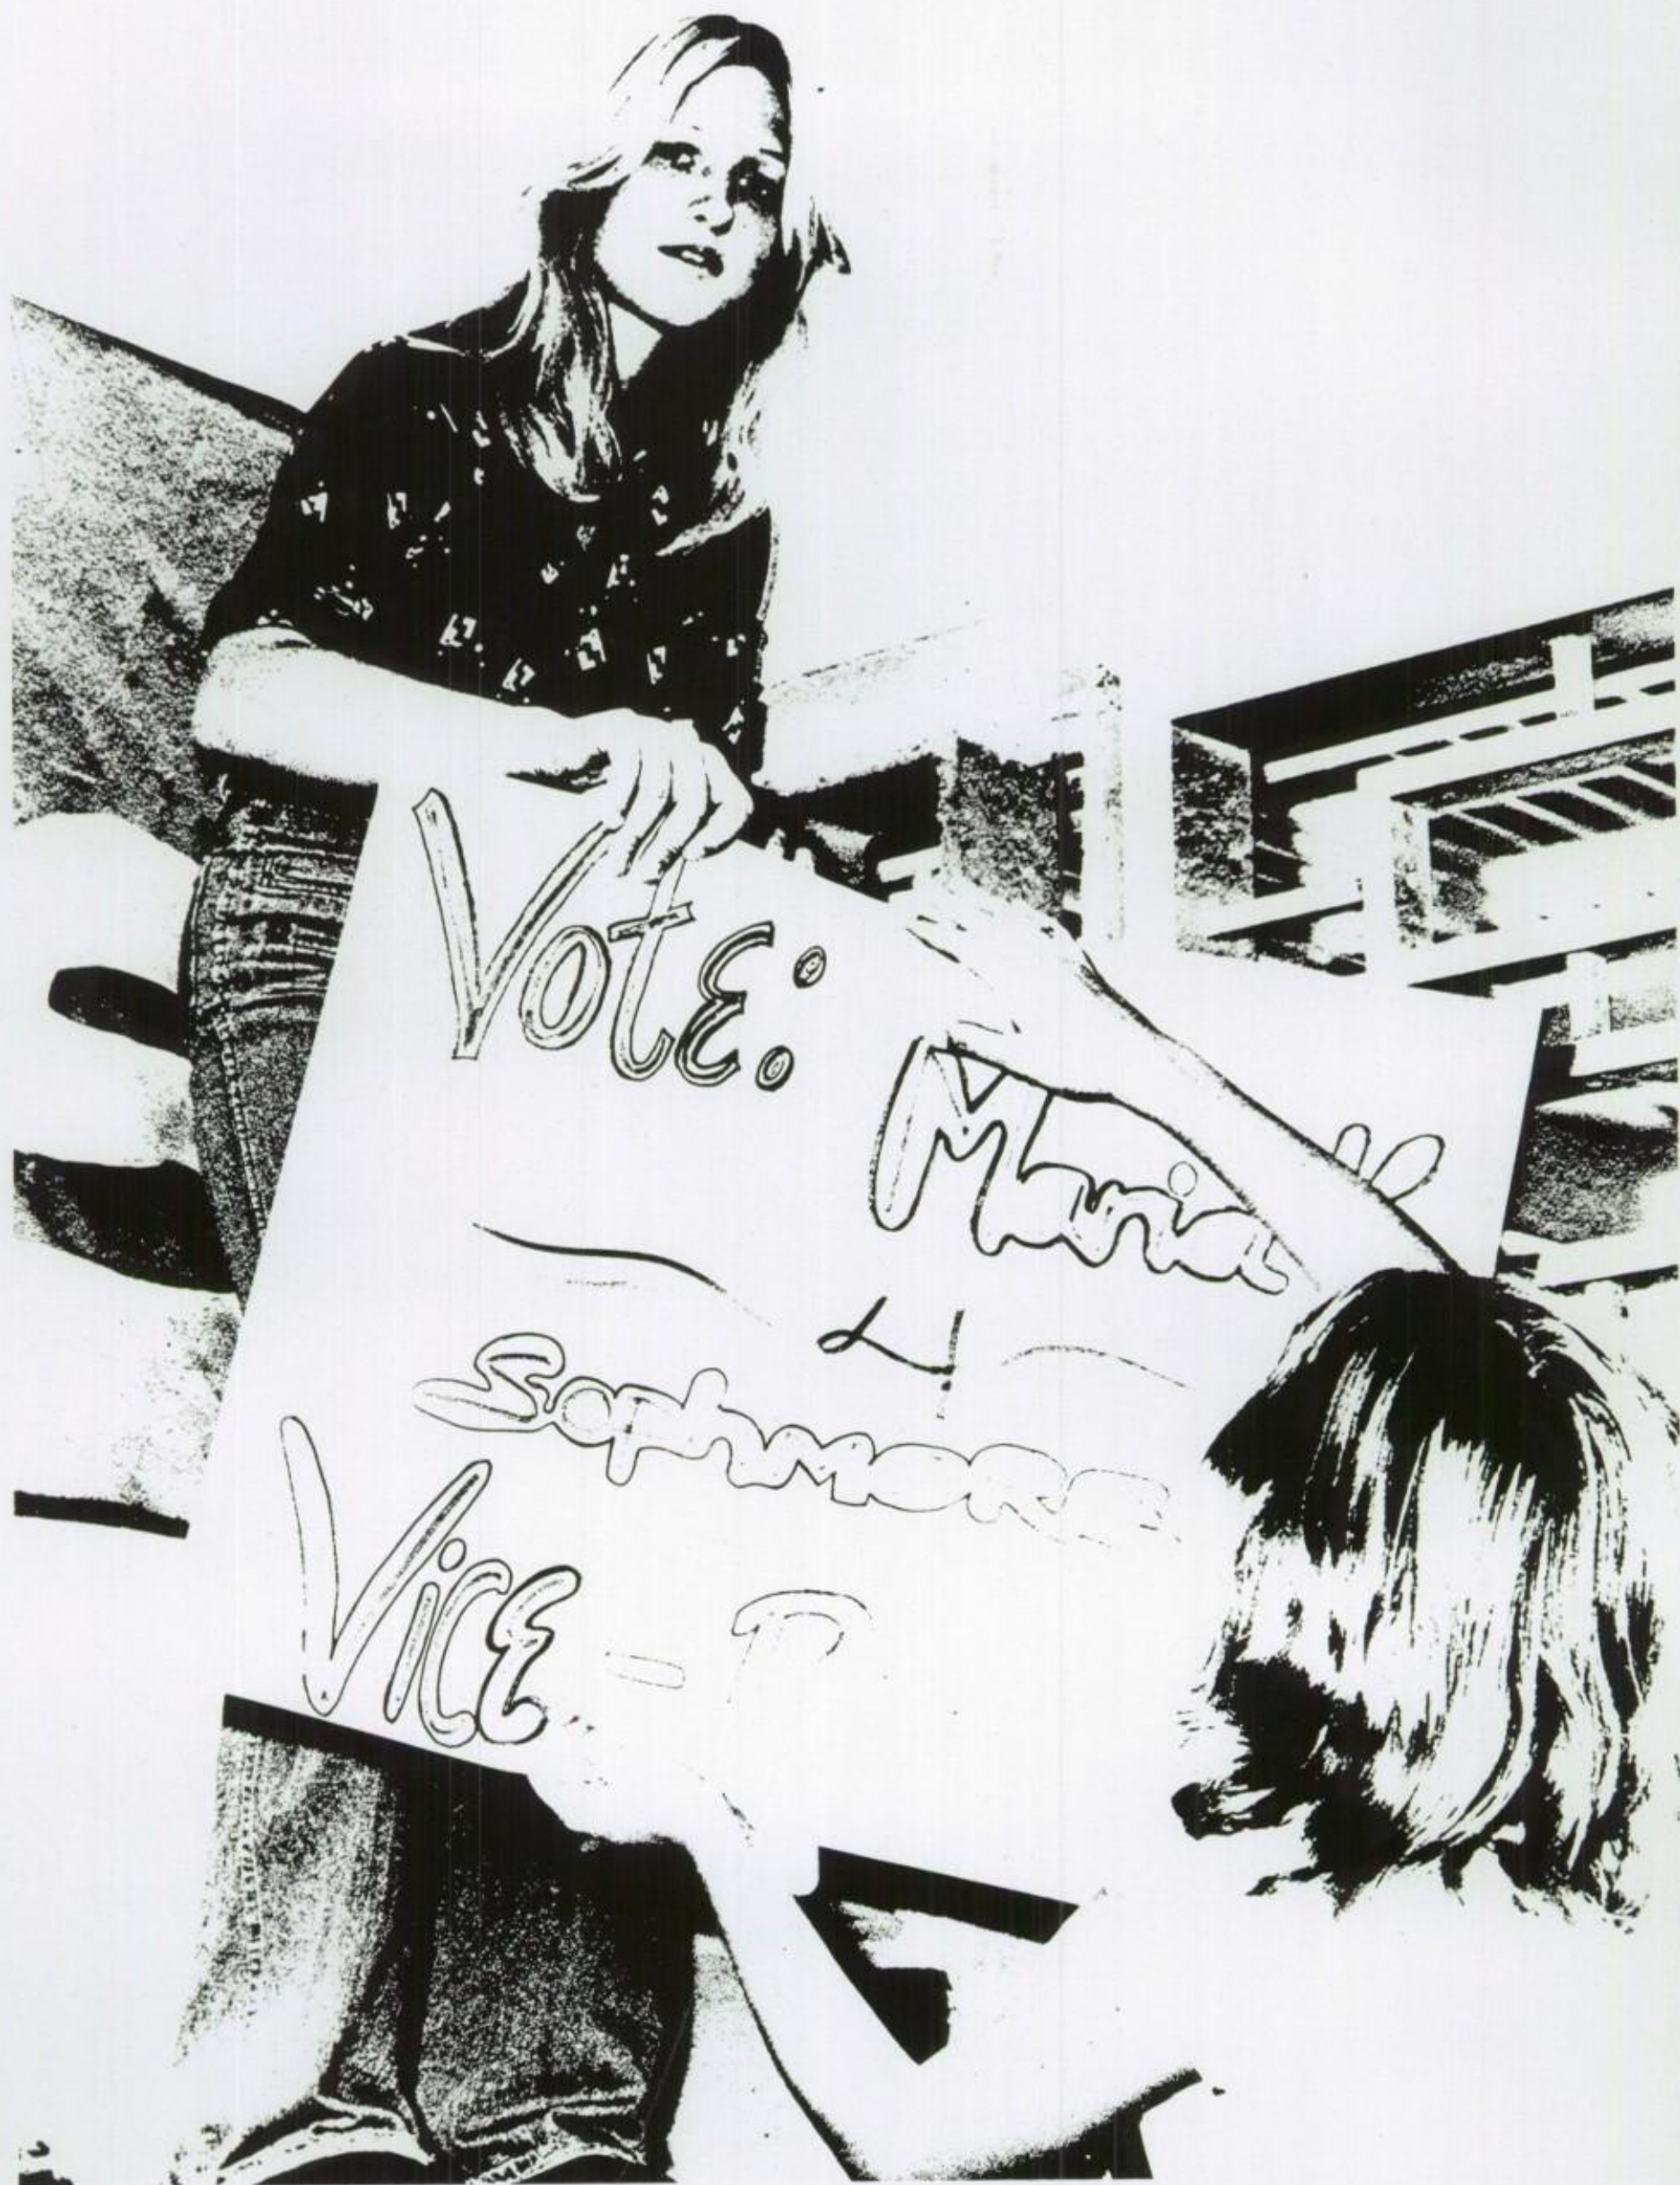

*And so we move again
looking back and forward,
nostalgic,
but excitedly hopeful
of the changes
our lives will bring.*

STUDENT LIFE

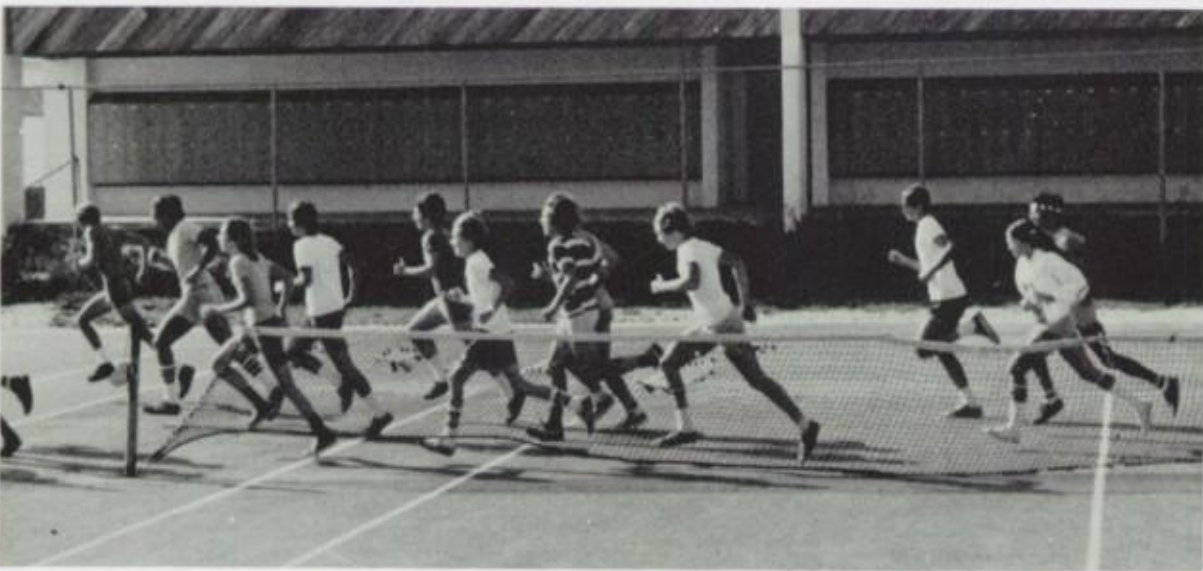

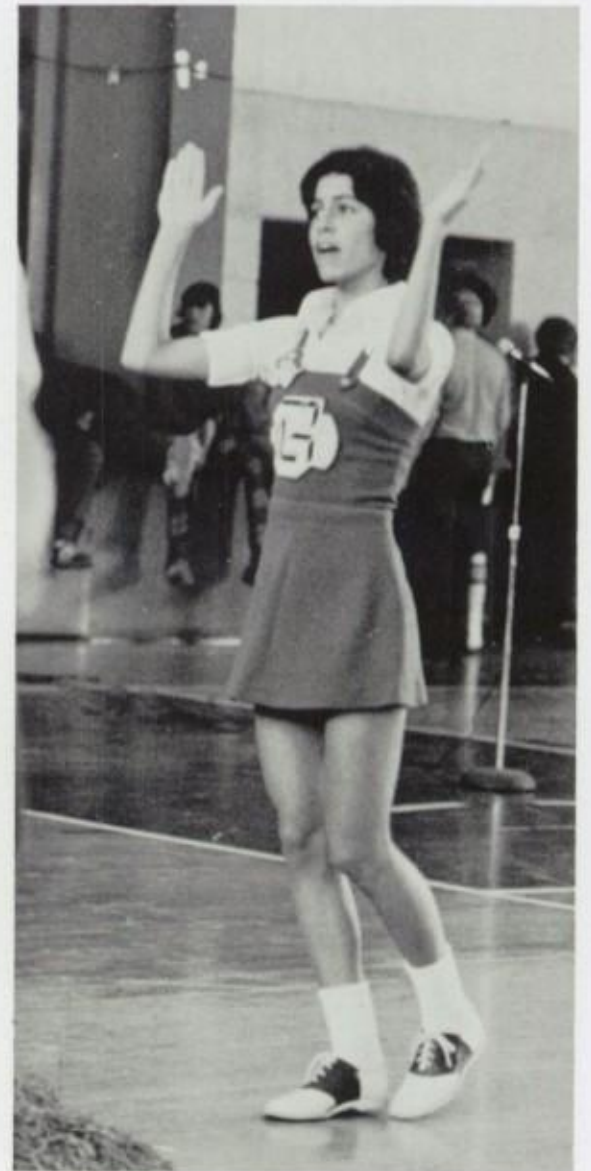

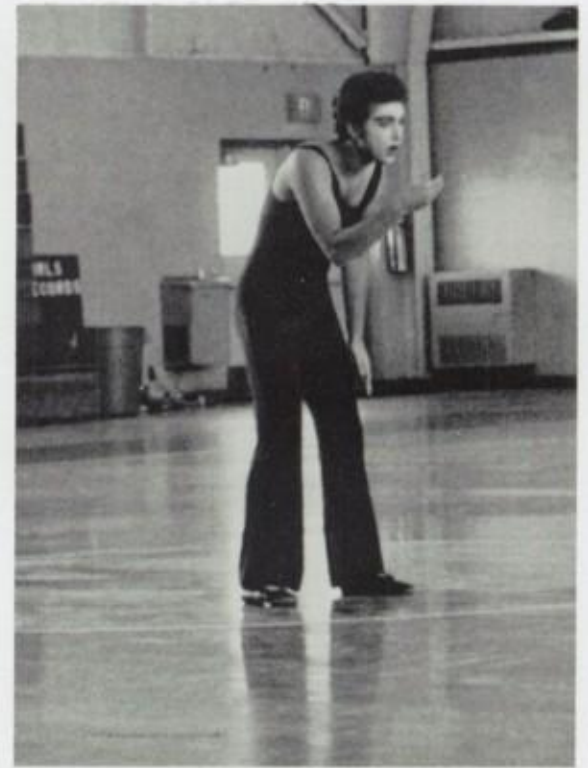

Student Life at Gulf High is full of changes. Rooms receive new faces. Leaders compete for the stage. "C.B.'s" become the latest fad.

Many enjoy the thrill of pep rallies, and the surge of athletic competition. Others delight in the creative experience of mime, or a balanced conversation with a friend.

COUNTER CLOCKWISE FROM TOP LEFT:
Cathy Holland, *Junior Class Representative*; Pat-
ty Sharpe, *Senior Class Representative*; Kim Hel-
frich, *Senior Class Representative*; Phyllis Mar-
enghi, *Homecoming Queen*; Monica Key, *Sopho-
more Class Representative*; Debbie Goluba, *Sen-
ior Class Representative*; Phyllis Marengi,
Homecoming Queen, with escort Tim Sherril.

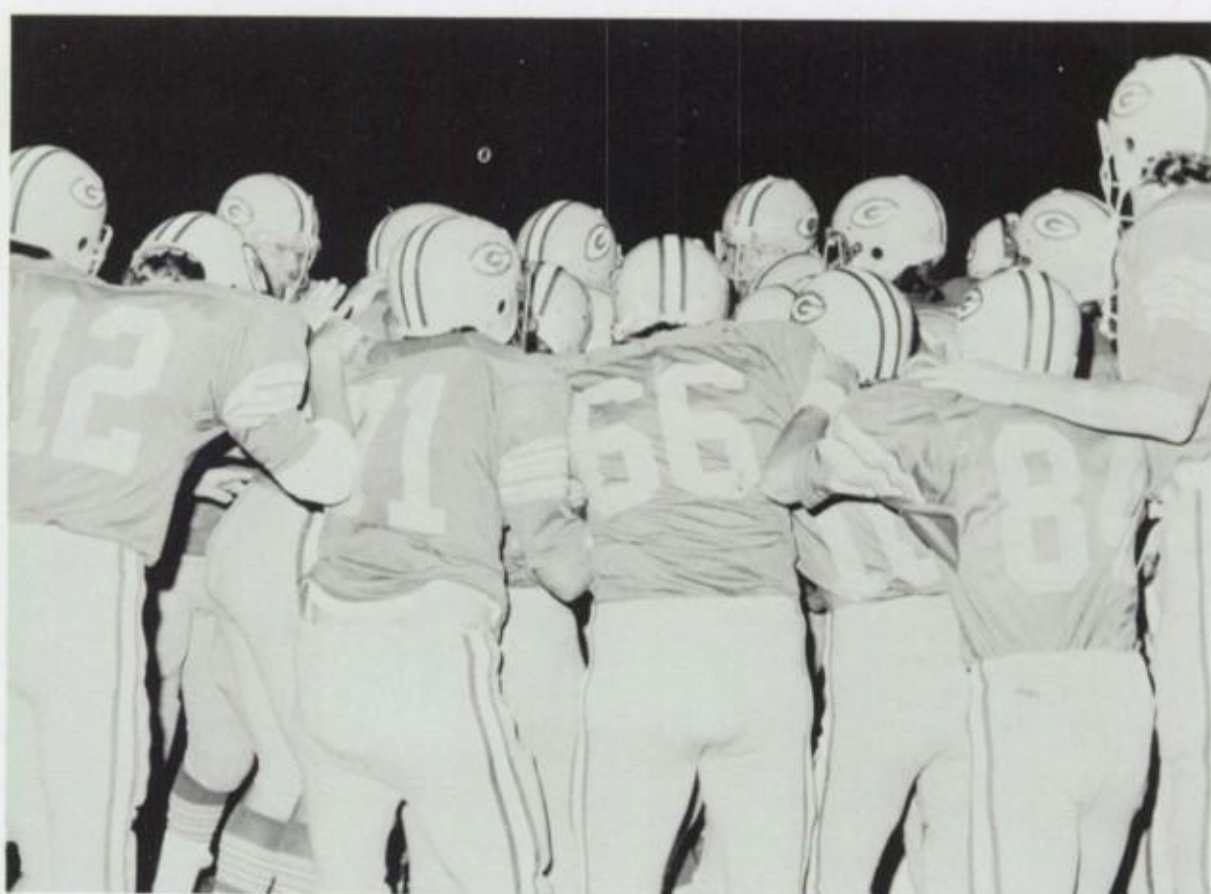

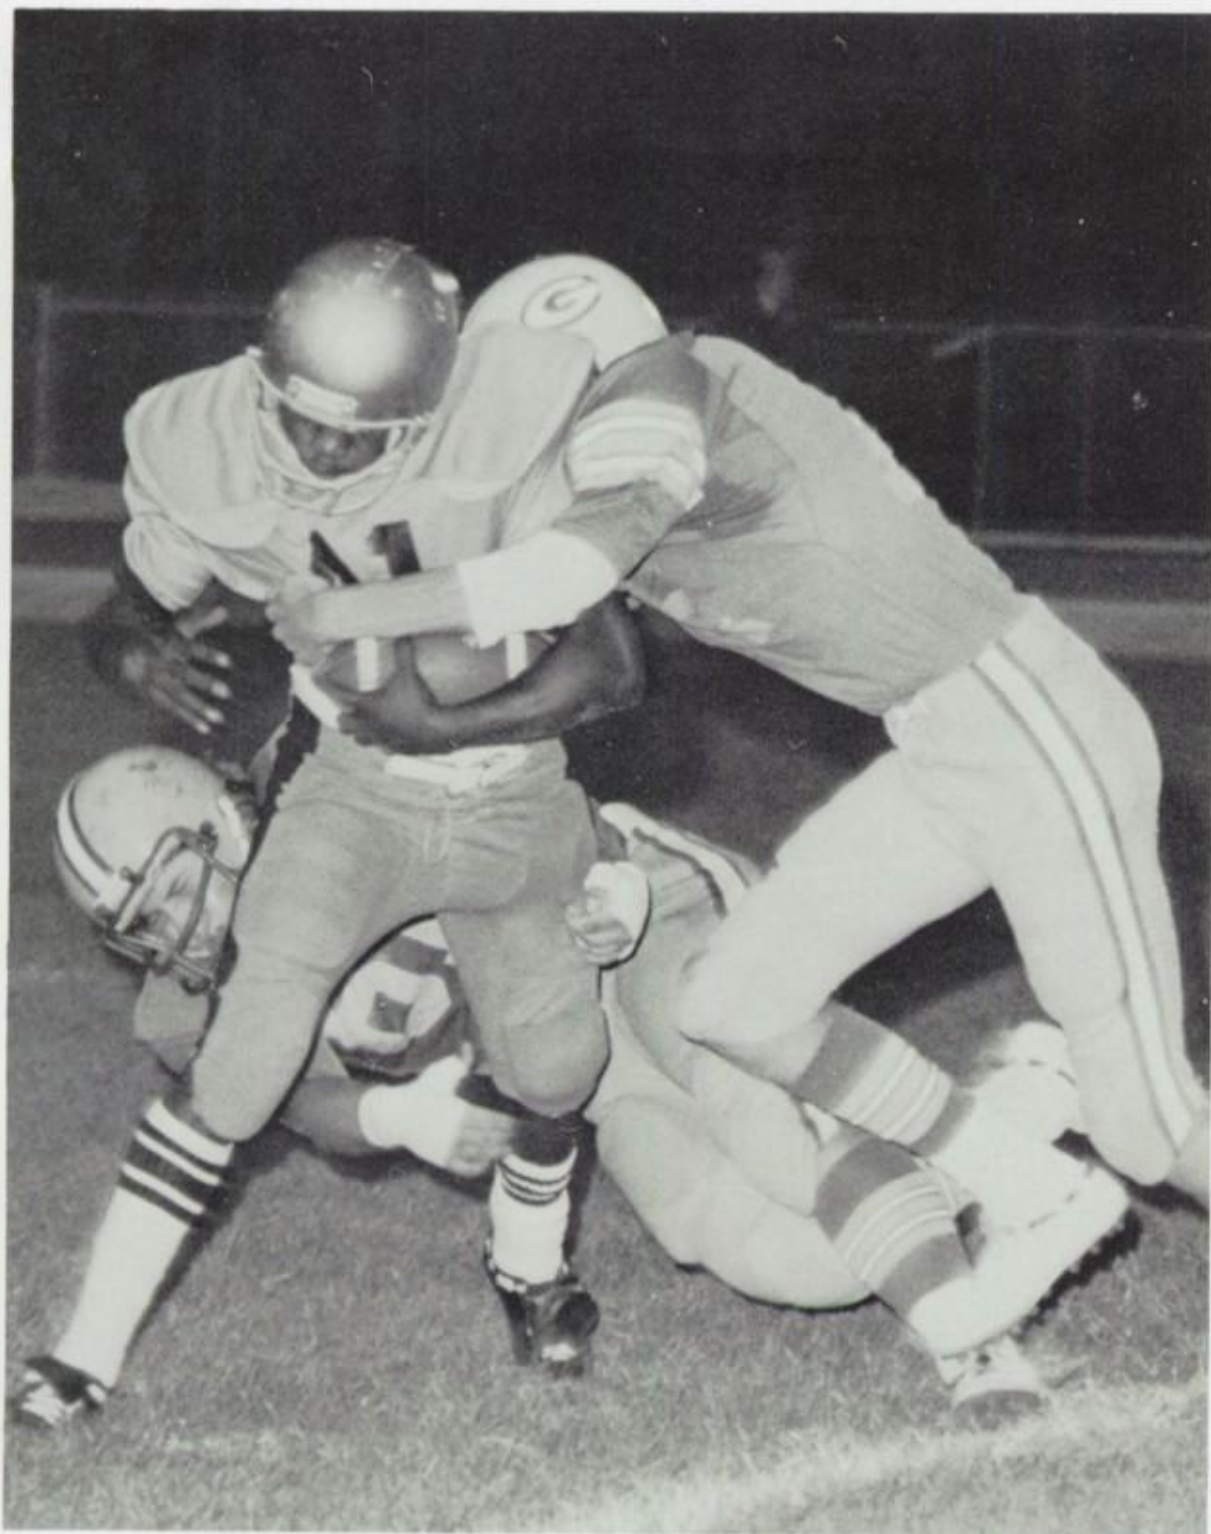

Homecoming Week . . . always an exciting time. The week includes the good fun of Fifties Day, Western Day, Kiddie Day, Spirit Day; and, of course, the big game. The week became a complete success with the Buc's victory over the Citrus High Hurricanes. The week climaxed with the crowning of Phyllis Marengi as Homecoming Queen.

PUBLICATIONS

The 1976-77 Publications Class, under the guidance of Mr. Jim Lane, consists of the *Buccaneer* yearbook and newspaper staff. This is the first year the club met as a class. Students attended a yearbook workshop for three days in Tampa. A school calendar was published for the first time. It was composed of pictures of 26 students voted for by their student body. The newspaper staff and yearbook staff are constantly hindered by deadlines. Our editor this year is Susan Seims, who put in many hours to help bring the best possible yearbook to Gulf High. Our business manager Donna Kay (*AT RIGHT*) has also added many hours in preparing this years *Buccanner*. While the yearbook staff strives to meet a final spring deadline, the newspaper staff works to put out a paper twice a month, Vicky Maurer, the editor of the paper, makes sure each deadline is met. The dedicated members of both the yearbook and newspaper staffs applied many of their varied talents to produce the remarkable publications which are so much a part of our school. Both staffs are grateful for the advice given by Mr. Lane. He too, has put in long hours and much hard work. Without his assistance the yearbook might not have been possible.

FFA

The Future Farmers of America is a national organization for students of vocational agricultural with the primary aim of developing leadership, cooperation and citizenship in the agricultural fields.

The FFA is an intracurricular and originated as a part of the high school vocational agriculture curriculum. STUDENT COUNCIL, SOCIAL STUDIES CLUB, AND CATEGORICALLY SPEAKING.

The Student Council is an organization of students, formed to hear complaints from students and to help with school problems. It also tries to put on the activities that the students want and would participate in. That is especially hard because of the lack of participation of the majority of students.

Officers pictured at right are;
PRESIDENT — Shawn Crane
VICE-PRESIDENT — Paul Erickson
TREASURER — John Highhouse
SECRETARY — Debi Carr

The Social Studies Club was organized to help develop interest in the fields of the Social Sciences. The club's main criteria for admission is an honest interest in the Social Sciences and the goals of the Social Studies Club.

One of the main goals of the club is to raise money for the Jack G. Moss Annual Scholarship Award. This award will be presented to the graduating senior that demonstrates promise in either the field of Social Science or teaching.

This year's Categorically Speaking team, although losing in the last round, made an excellent fight of it. They led an all veteran, semi-finalist team right up to the final moments of the show. We feel our showing will be much better next year with the return of four experienced veterans.

We would like to thank the members of the team and their co-sponsors, Mr. P.C. Detlefsen and Ms. LaGasse for their many patient hours of practice. Good luck next year.

KEYETTES

The Keyette Club is a service club of Gulf High, set up to do things to help the people of the community. They do several projects with "Kiwanis", their father club, and Key Club, their brother club. They've been in existence at Gulf since 1972.

KEY CLUB

The purpose of the Key Club is to provide an opportunity through which the leaders and potential leaders of all high school age groups are given a chance to develop their initiative and leadership by undertaking a program of service in the high school and community. The Key Club has been on our campus since 1972 also.

FORENSICS

One of the newly organized clubs at Gulf is the Forensics Club. Its sponsor is Mr. Brown who has been an english teacher at Gulf for many years. With any luck, the Forensics Club will be twice as large next year. The Forensics Club specializes in speech and debate.

GYMNASTICS CLUB

The Gymnastic Club is really moving this year with another increase in membership. The coach is Mrs. G. Richey and she is looking for a better club than ever. The Gymnastic Club aims to build minds as well as bodies, and it looks as if they are doing both.

HEALTH SERVICE AIDES

Gulf High's Health Service Aide II program is an opportunity for students to decide whether they would like to have a health career and what field they would be interested in. The students may apply themselves to as many areas in hospitals, doctor and dental offices as they are interested in.

G-CLUB

For anyone interested, the G-Club has to be our largest growing club. Two years ago, there were 21 members, last year there was 46, and this year 59 faces clutter the picture. At this rate, next year we should have somewhere around 75 members. If this is the case, we will have to make it the GG Club so everyone can be seen.

Anyway, best of luck to our fastest growing club, and thanks for the spirit.

A new Band Director. New Uniforms. A new Stadium. New Spirit. All of these helped this year's Band of Buccaneers to become the marching band it is this year. Playing at football games, Pep Rallies, and for parades and contests were a part of the thrill that this year's Band members participated in. With over 80 band members, Mr. Francis did more with our band than we could have asked him for. He spent hours of his time after school at rehearsal and hours more thinking up new routines for football halftime shows. Many time we take things like our band for advantage. Because of this we would like to take this time to say Thanks for all of the times we have forgotten to say so in the past. Keep it up, Buccaneers, and we'll be number one for sure.

SPANISH AND NATIONAL HONOR SOCIETIES

The Spanish Honor Society is a group of students who excel in Spanish. It is the purpose of this organization to promote friendship throughout the world, and to encourage the use of the Spanish language.

La Sociedad Honoraria Hispanica is a national Honor Society sponsored by members of the American Association of Teachers of Spanish and Portuguese. Gulf's chapter, Padre Luis, continuous from 1964, was named after a fictitious character in the pageant performed at the annual Chasco Fiesta in New Port Richey. The club's sponsor is Mrs. Helen Richey.

The National Honor Society is now in its third year at Gulf. Its size has decreased considerably from last year, but the people who belong are the hard workers. To belong to the society, students are selected by a panel of teachers. One must maintain a minimum grade point average of 3.0 to remain in the club. The student selections are based upon leadership qualities, scholarship, community services and, above all, character. All of the members meet the above qualifications.

NEW CLUBS AT GULF

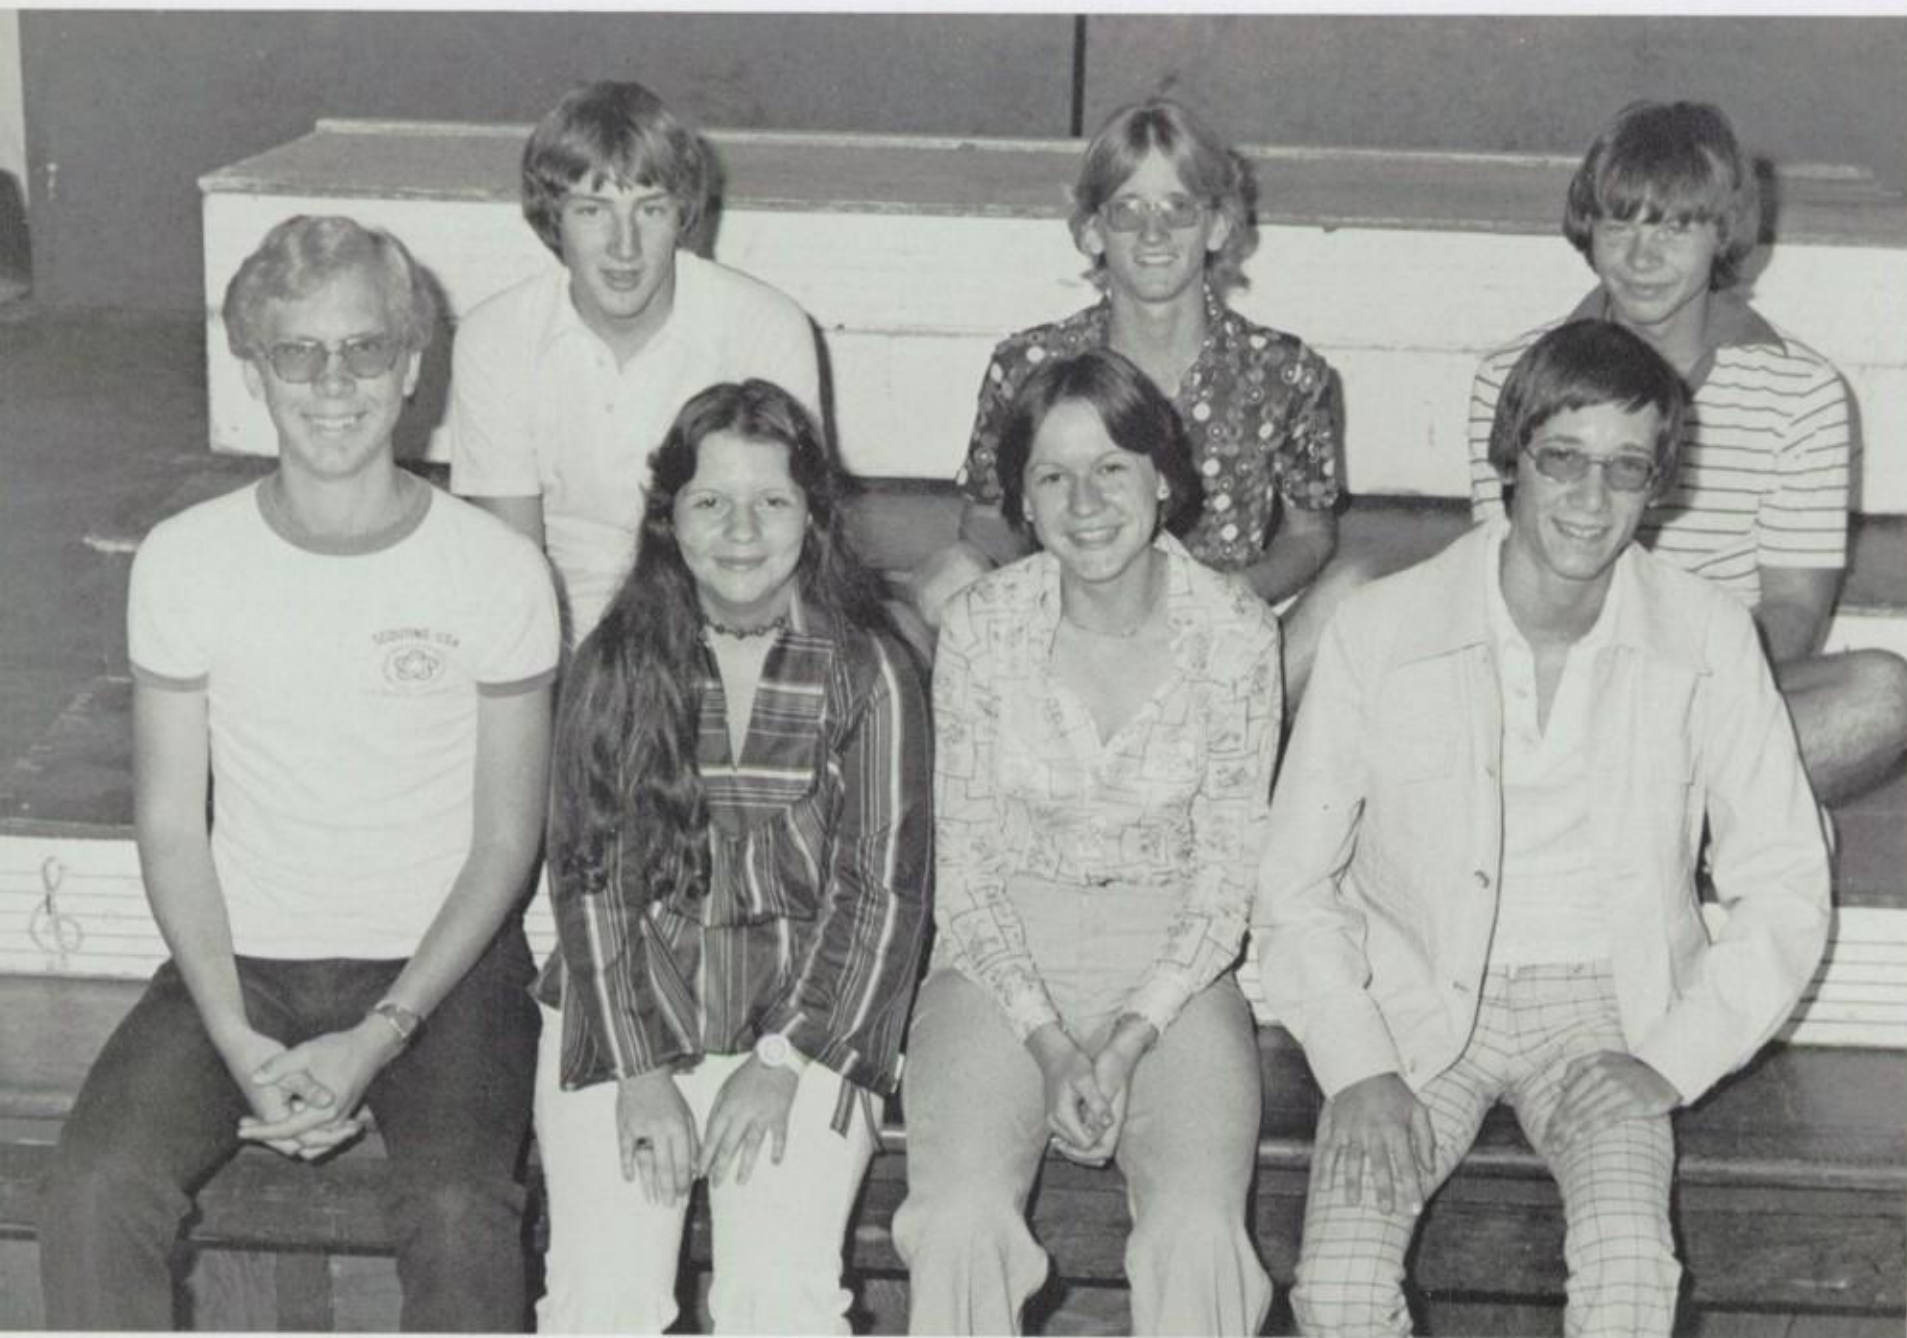

YOUNG DEMOCRATS MATH CLUB

A club just getting under way this year is the Young Democrats. Sponsored by Mr. Robert Brown, it is a club of Democrats and Republicans who want to learn about the Democratic party and what it stands for. There is still no Young Republicans Club, but one is probably not too far away from Gulf.

Another new club this year is the Math Club sponsored by Mr. Robert Baugh. The Math Club is a completely new idea to Gulf, and it will take awhile before all of its goals and requirements for membership are fully decided upon. Best of luck to this new club.

FACULTY

MATH

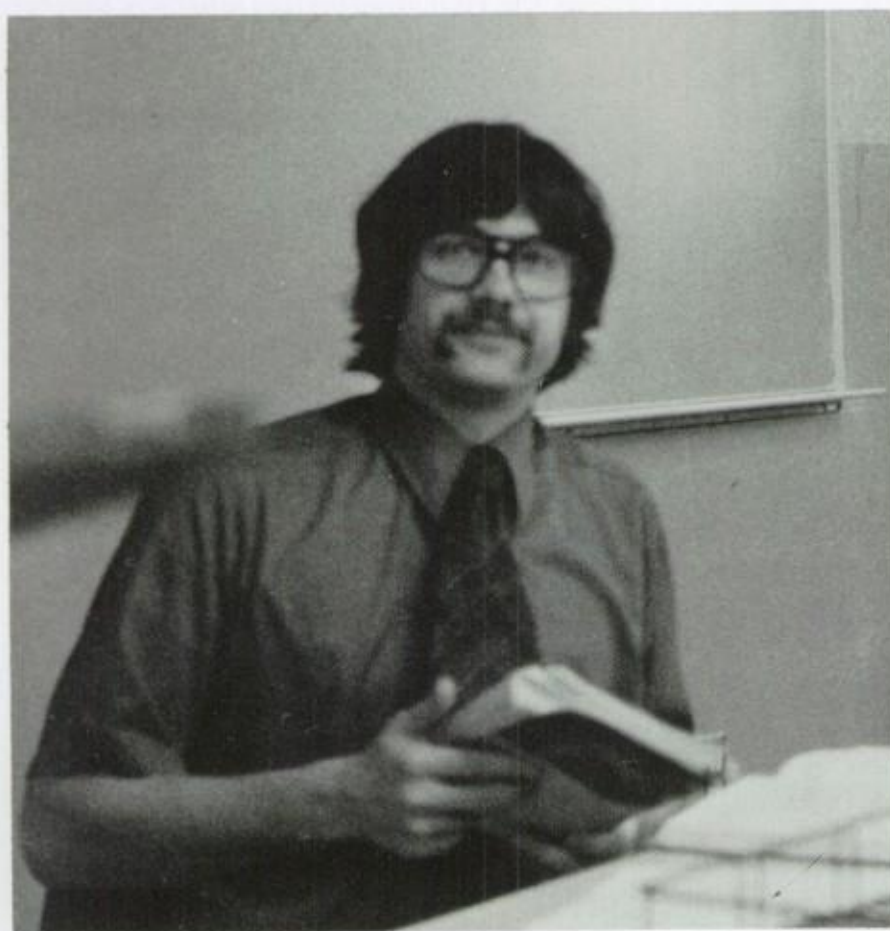

The Gulf High Mathematics Department variously perceives mathematics as a means to an end and an end in itself. Therefore, our philosophy reflects this dichotomy. Mathematics is, in and of itself, a discipline unparalleled in its simplicity, scope, and logical structure. Its study is a necessary ingredient in the development of the individual, and its appreciation the hallmark of an educated person.

Daniel Fortuna

Douglas Snyder

Stephen Schaeffer

SCIENCE

The science department offers a plethora of courses designed to provide a variety of subjects ranging from general biology and science to chemistry, physics and biology II. These advanced courses allow students who wish to continue their study of science past the required first year an opportunity to do so. The science department is dedicated not only to the preparation of college bound students, but also to the promotion of student interest in the field of science through meaningful classroom and laboratory experiences.

VOCATIONAL DEPARTMENT

The Vocational Department is the largest department in Gulf High. There are opportunities for the student to learn how to do a job through classroom activities, and in many classes the student may apply this learning through on the job training in a work situation.

Regardless of his/her career plans, the vocational educational department offers the student a chance to learn and then apply that learning on the job.

SOCIAL STUDIES

A program designed to stress the most significant areas of historical and social concern was offered by the Social Studies Department of Gulf High. The teachers of this department felt that it was their duty to each other as well as to the students to not only to present facts, but to encourage a level of student inquiry. It was the policy of this department to emphasize quality rather than quantity of offering while maintaining a program that was balanced to stimulate the interest of students in a variety of areas of historical significance.

Coach,
Sometimes you can't be a hot quad. But I guess we all have
our days. I'm really glad that I have known you & I hope
you'll keep our little secrets. I'm sure we'll continue to be
friends in the next 2 years. Good luck with the
football team. (I'll be cheering!) See ya!
Kim

Jim Riser

To Catch,
I've had different
having you as a sub.
for one thing I notice
you must be a pretty
good teacher if you can
control kids like us
that way.
Good luck next season.
Go Get them

To: Mr. Riser,

Who isn't a half

bad substitute. Haha!

Changes that I see
Move me to remember
People, faces

Phases
We crowd the maze
And struggle
Toward a higher plane

The signs of your time
And mine
Always ours
Yet never the same
Changes

Weave, bend, and flow
Life's essence moves
And struggles to be free
To be crushed, smoothed
And born again
In the fragrance of a new day
Changes
